

Eliminate Pain WITHOUT A PRESCRIPTION!

OsteoArthritis Sufferers Experience Dramatic Long-Term Improvement in Breakthrough Clinical Study

A clinical study published in the *Journal of Rheumatology* evaluated the pain relieving effectiveness of *JointFlex* Pain Relieving Cream versus a placebo. *JointFlex* is a non-prescription pain relieving cream that is available in retail stores everywhere. The eight-week clinical trial involved 63 patients who had suffered from chronic osteoarthritis knee pain for an average of 10 years!

Immediate, Effective Pain Relief

The study clearly showed that the users of *JointFlex* experienced substantial and immediate pain relief. The study confirmed what thousands of satisfied *JointFlex* customers around the world already know...*JointFlex* helps you achieve a better quality of life because of its powerful and immediate pain relieving action. But there's more!

LONG-TERM IMPROVING Pain Relief

The users of *JointFlex* also experienced a totally unexpected and dramatic result. With continued use, a majority obtained long-term pain relief that continued to improve throughout the entire eight-week study. But that's not all!

OsteoArthritis Pain ELIMINATED!

Even more amazing, one-third of the *JointFlex* users had their pain gradually decrease to the point where it was completely or nearly completely eliminated! By using *JointFlex* daily as directed, you too may be able to substantially reduce or even eliminate that chronic arthritis pain that's been nagging you for years.

The gradual and continual improvement in long-term pain relief observed in the *JointFlex* clinical study was found to be consistent with previous studies conducted with orally administered Glucosamine and Chondroitin Sulfate. *JointFlex* will be further studied to determine the mechanism of these dramatic results and to verify that they are not due to random chance alone. Individual results may vary. Highlights of the study are available by calling the toll free number or they can be viewed online at www.jointflex.com.
